DETAILED ACTION

Allowable Subject Matter

1. Claims 1-16 are allowed.
2. The following is an examiner's statement of reasons for allowance:

In regard to claims 1-13, the prior art does not disclose the combination of features claimed in the invention, specifically including the features of:

a dedicated interface unit for accepting input or edit of a preset data regarding the image data by one operation when the image data stored in the nonvolatile recording medium is displayed on the display unit; and

a second storing unit for storing the preset data with the image data in the nonvolatile recording medium in a predetermined file format, as claimed in claim 1.

In regard to claims 14-16, the prior art does not disclose the combination of features claimed in the invention, specifically including the features of:

a dedicated interface unit comprising a dial or a button for accepting input or edit of a preset data relating to the image data, wherein a user edits or inputs the preset data by a single rotation of the dial or a single push of the button without changing or disrupting the displayed image data, as claimed in claim 14.

Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably accompany the issue fee. Such submissions should be clearly labeled "Comments on Statement of Reasons for Allowance."
